A museum that's on the move...

...where there's so much to see and do that you'll want to stay all day.

Whether you take a ride on the woodland tramway, experience the silence and comfort of the trolleybus service, or meander lazily on board our narrow gauge railway, there's a new discovery to be made every minute.

Or why not soak up the atmosphere of the museum with a walk through our street scene - complete with authentic street furniture - or spend a quiet afternoon with a picnic or a book relaxing in our very own park area, enjoying the sights and sounds of the past.

travel Edwardian style along the woodland tramway

And when you're ready for a break from the excitement, why not relax with a drink, snack or light lunch in the Terminus Tearooms or browse in the well stocked gift shop!

Don't forget to allow time to visit our recreated Post Office, Taxi Garage and Car Showroom displays, all filled with hundreds of fascinating historic items & artefacts.
